Hacettepe University

Advantages of web-based tutorials

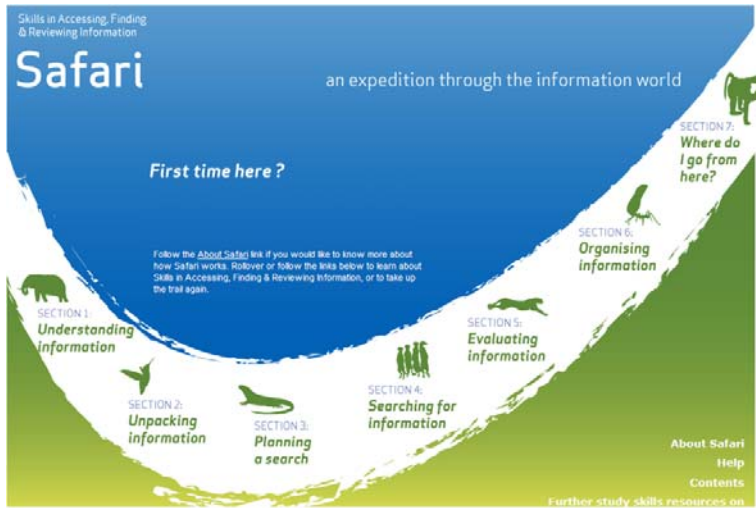

- Availability (deliverable on-demand to anywhere, anytime 24/7)
- Suitability (allows users to progress at their own pace and place)
- Accessibility (multi-platform capabilities)
- Affordable training delivery (inexpensive distribution)
- Access is controllable
- Content is easily updateable
- Eliminates obstacles such as lack of adequate resources (personnel, space, equipment, etc.)
- Provides opportunities for disadvantaged groups

No need to reinvent the wheel

- Numerous packages available
- Content is mostly generic
- Most are under Creative Commons licence
 - Reusable texts
 - Reusable visual material
 - Reusable interactive games
 - Reusable tests
